took me from the shelter of a mother I had never known, who loved any other
 I wait in the darkness of my lonely room. Filled with sadness,
Since you've been gone, all that's left is a band of gold. All that's left of the

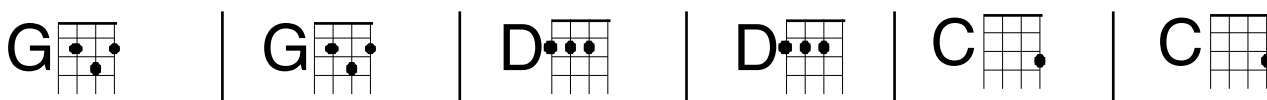

dreams I hold Is a band of gold and the memories of what love could be, if
we kissed after taking vows. But that night on our honeymoon,
 filled with gloom. Hoping soon that you'll walk back through the door, and
dreams I hold, is the band of gold and the dreams of what love could be, if

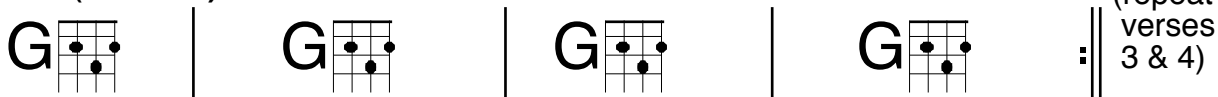

you were still here with me. *You*
we stayed in seperate rooms
 love me like you tried before
you were still here with me
