

# Okaihau Express- Peter Cape

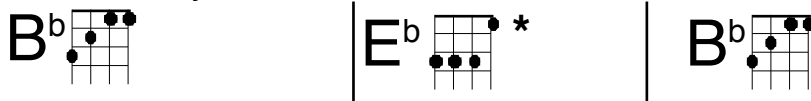

She starts out from Otiria, the smallest train you've seen- this is the Okaihau Ex-press. An ... driver doesn't worry if he takes the journey slow- driving the Okaihau Ex-press. He's

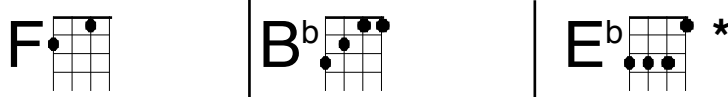

engine and a guardsvan with a carriage in between- this is the Okaihau Ex-press. The... got all day to do it in and 30 miles to go, driving the Okaihau Ex-press. She was...

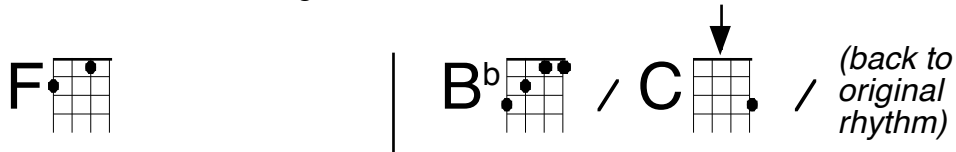

## Bridge- different rhythm

goin' round the bend doin' 10 miles an hour, the whistle began to

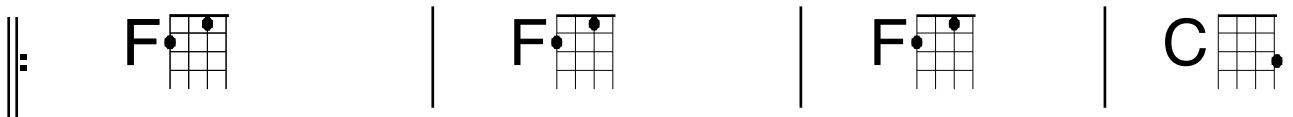

shriek. Well she caught that bull in the middle of the brisket and the

engine smelled of steak for a week.

There's.....

Puppies in an apple box, pippies in a sack- riding the Okaihau Ex-press. But ...stops at lake Omapere, to take some water in, this is the Okaihau Ex-press. The ...kaihau to Otiria, it's just a single track, this is the Okaihau Ex-press. You can't

no-one knows the difference when they're drippin' from the rack ridin' the Okaihau Ex-press. She fireman takes a bucket, the driver takes a swim, this is the Okaihau Ex-press. O... turn it at the terminus, you just reverse her back, this is the Okaihau Ex-press.
