

The Boat that I Row - Lulu

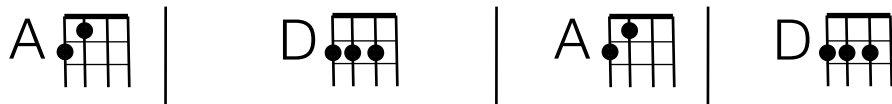

I don't have a lot but with me that's fine.
(There ain't a man alive tell me what to) say

Whatever I got well I know it's mine
I choose my own side and I like it that way

Don't go a-round with the local crowd
I don't worry about all the things that I'm not

I don't dig what's in so I guess I'm out
There's only one thing that I want I ain't got

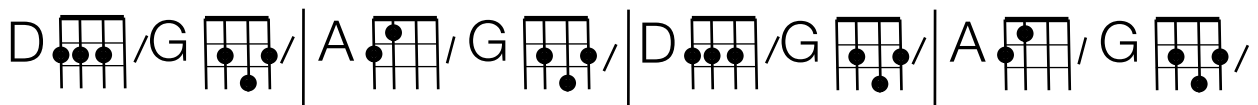

I'm sayin' these things so you know me, baby
You know that I'm thinking about you, baby

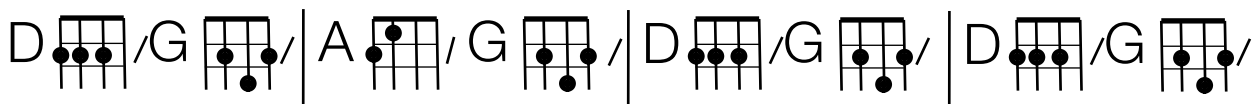

So you understand what I'm all a-bout.
But you better know before you come a-long.

The boat that I ...
The boat that I ...

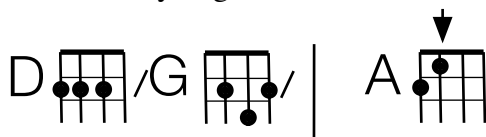

Chorus

row won't cross no ocean The boat that I row won't get me there soon. I got the

love and if you got the notion. The boat that I row is big enough for two. Me and

||: 2nd time to § as instrumental,
then 2x chorus

you.

There ain't a man alive tell me what to
