

Intro (xylophone riff)

* riff 1

Verse * riff 1

You,
And you,
And we,
And we,
you used to have all the answers
you still have them too
we live half in the day time
we live half at night

Chorus ** riff 2

Watch things on love. I think we're V-C-R, superstars, with me and talk about big you say you think we are the best thing. But

C *** riff 3

you, you just know, you just

C ** riff 2

do

Verse * riff 1

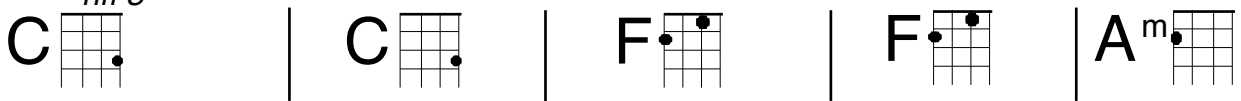

When I find myself by the sea, in another's company by the sea. When I go out to the pier, gonna dive and have no fear, because you, you just know, you just do

Chorus (**riff 2)

Watch things on love. I think we're V-C-R's, superstars, with me and talk about big think we are the best thing. But you say you

*** riff 3

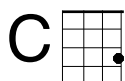

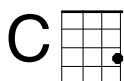

you, you just know, you just do

VCR ...p. 2
