V1) Girl I say, if only life would lean our way. Well...
 V2) Oh oh it seems awfully far for us to find at all. Well...

 |  |  |  |

you and me we'd run away to be where ever our adventure waits. And...
 all these years will wash away and we'll be clean but we'll have nothing more. Well

 |  |  |  |

time would be a distant memory, no-body could tell us to stay. Well...
 I can say there'll come another day when money and our time affords. But...

 |  |  |  |

I've been dreaming ever since I've seen you, heaven when you came my way
 on our hands our wrinkles understand we never really wanted more

(chorus)
