Ship sails in the harbour
 Oh that sun is wonderful

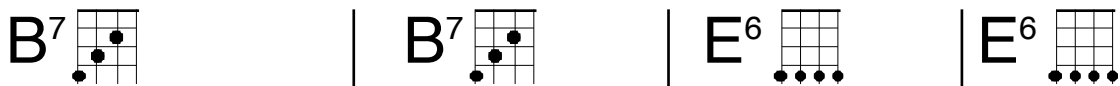

Pool you nev-er swim
Sailor boys they land
 Palms dance in the wind.

And your wife so dutiful. I just wanna
They can bring you most anything. I just wanna
 And the sea comes rolling in. I just wanna

Chorus

lie, lie, lie, lie in the sand. I just wanna

lie, lie, lie, lie in the sand. (I just wanna)

lie, lie, lie, lie in the sand. I just wanna

lie, lie, lie, lie in the sand. Ooh ooh
