

Pinball Wizard by The Who.

NB Slightly more complex version with key change

(Intro)

since I was a young boy I played the silver ball from
stand like a statue,

part of the machine.

Soho down to Brighton I
Feeling all the bumpers

must have played 'em all. You ain't seen anything like him in any amusement hall that
always playin' clean. Plays by intuition, digit counters fall, that

deaf, dumb and blind kid, sure played a mean pin- ball

He
He's a

pin- ball wizard, there

has to be a twist

pin- ball wizard's got such a supple

wrist

How do you think he does it? I

don't know.

What makes him so

good?

Ain't got no distractions, can't hear no buzzers and bells. Don't see no lights a-flashin'

Plays by sense of smell, always get a replay, never seen him fail, that

deaf, dumb and blind kid, sure plays a mean pin- ball

I ...

thought I was the bally table king but

I just handed my pinball crown to him

x4

Even on my favourite table,

he can beat my best, his di-sciples lead him in, he just does the rest. Crazy flipper fingers

never seen him fail, that deaf, dumb and blind kid, sure plays a mean pin-

(fade out on Eb)
