Seven little girls,
Drove thru' the town,
Seven little girls,

sittin' in the back seat huggin' and a kissin' with Fred.
drove thru' the country showed 'em how a motor could go.
smoochin' in the back seat every one in love with Fred.

why don't one of you come up and sit beside me
how do you like my triple carburettor?
you don't need me I'll get off at my house

this is what the 7 girls
One of them whispered
this is what the 7 girls

said- "All together now
