Intro

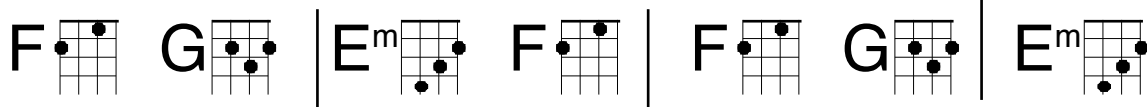

Verses

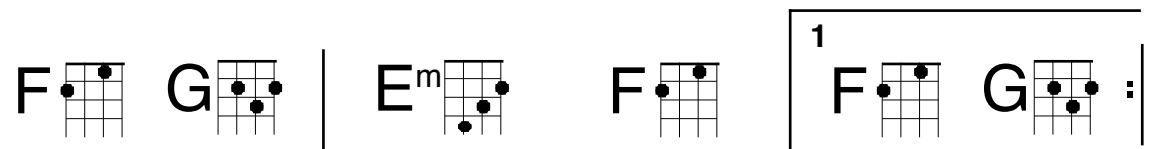

V1: Lyin' in my bed I hear the clock tick and think of you
 V2: Some times you picture me I'm walkin' too far ahead

Caught up in circles con- fusion is no-thing new
 You're calling to me, I can't hear what you've said

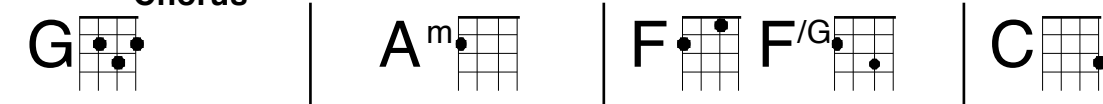

Flash back warm nights al- most left be-hind
 You say go slow I fall be-hind

Suit case of memor- ies, time after
 The second hand unwinds. If you're...

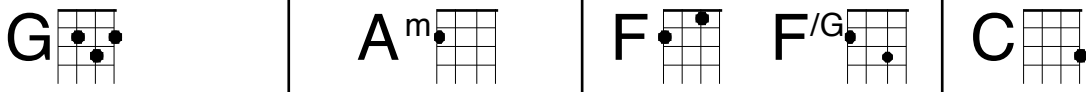

2 Chorus

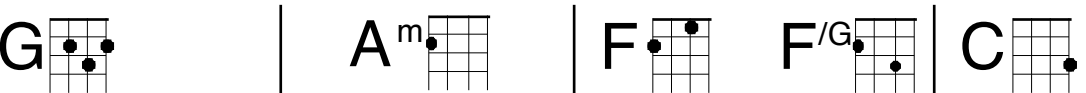

lost and you look you will find me time after time. If you

fall I will catch you I'll be waiting, time after time. If you're

lost and you look you will find me time after time. If you

fall I will catch you I'll be waiting, time after time.

Instrumental

Chorus

time after time. If you fall I will catch you I'll be waiting, time after time.
