

Paint it Black - The Rolling Stones

Intro:

Verse:

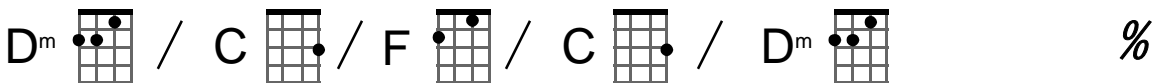

i) I see a red door and I want it painted black no colours anymore I want them to turn black

ii) I see a line of cars and they're all painted black, with flowers and my love, both never to come back.

iii) I look inside my self and see my heart is black, I see my red door and I want it painted black.

iv) No more will my green sea go turn a deeper blue, I could not forsee this thing happening to you.

v) I see a red door and I want it painted black, no colours anymore I want them to turn black.

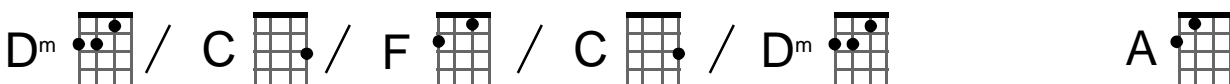

I see the girls walk by dressed in their summer clothes.

I see people turn their heads and quickly look away,

Maybe then I'll fade away and not have to face the facts,

If I look hard enough in- to the setting sun,

I see the girls walk by dressed in their summer clothes,

I have to turn my head un- til the darkness goes

like a newborn baby it just happens every day.

it's not easy facing up when your whole world is black.

My love will laugh with me be- fore the morning comes

I have to turn my head un- til my darkness goes.
